

St. Agnes Sells Gift Cards!!

Did you know that St. Agnes School sells many gift cards from MAJOR national and local merchants?

Our school earns money through each purchase from the St. Agnes SCRIP program. Your every day shopping and dining can benefit our kids and our school without costing you a dime more than you would normally pay for your favorite goods and services!
It's dollar-for-dollar, "shopping-cart fundraising"!

HOW DOES IT WORK?

Fill out the pink form and return it to school through your child's backpack
OR
you may order online at shopwithscrip.com (Enrollment Code: AE37E4287LL4).

- Step 1: Review the pink order form
- Step 2: Select merchants where you would normally shop, dine or receive services
- Step 3: Total the amount of your purchase, and send a check or cash along with order form to school (or come into the office if you wish to use a Visa or Mastercard charge card).
- Step 4: You will receive your cards that day if we have them in stock. If it's a special order or out-of-stock, you will receive it within a week or less.
- Step 5: Use your cards or give them as gifts!

Any time you run out, fill out another form and purchase more!

Kroger reloadable gift cards: Our goal is to get EVERY St. Agnes family using this card. We receive 5% of your purchase every time it is used! We can earn big bucks if all families participate!

This is a re-loadable card! You need only purchase one for \$5 and then add any amount at the Customer Service Desk or check-out line at any Kroger (using your cash, check or charge).

Keep re-loading and use this same card all year long for groceries or at the Kroger gas pump! Our school gets a check monthly for 5% of all your purchases! (NOTE: Cards with a zero balance that are not used for more than 3 months will automatically void themselves.)

Please call Allison Adler 304-925-4341 or aadler@stagneswv.org with any questions.
