

THE GILMORE GAZETTE

"Our mission is to give a child a sense of worth through a strong ability in the basic academic skills, and a sense of being a child of God as a part of our faith centered community."

NEWS...NEWS...NEWS...

- Tomorrow, Friday, will be a "Souper Bowl" uniform holiday. Your child needs to bring in a can of soup to donate to the Outreach Center. Each child can wear a shirt or jersey with a number on it.
- In Math this week, the children learned how to add or subtract two numbers that have 2 digits each. We are doing problems that **DO NOT** involve any borrowing or carrying. PLEASE do not teach your child to borrow or carry. They will learn that skill next year. From past experience, when parents taught their children that extra Math skill, the children would get confused when doing their work in the classroom.
- Last week, the children spent time reading short stories and answering questions about the stories they had read. The requirement when responding to the questions was that the answers had to be written with complete sentences. Every child in this class did a fantastic job!!! I am very excited about their progress!
