

Fourth Grade Summer Reading List

All students are required to read one book from the list of suggested titles. This list was chosen to encourage your child's reading over the summer. Please note that I have NOT read all the books on this list and PLEASE preview any books before your child reads them. Make sure they choose a book they haven't read, so they can take an AR test on the book when school begins. A book report will be assigned and completed at school. They must bring the book to school on the first day!
