

June 7, 2010

Hello Fifth Graders!!

I am so excited that I get to be your teacher...AGAIN!! We are going to have a great year. You have finally made it to the top of the heap at St. Agnes. This will be your year to shine! In order to do that, there are some things that you are going to have to do this summer.

The first thing that you must do is read. You must read everyday. I have picked a book for your summer reading enjoyment, but do not make that the only book you read over the summer. The book you have to read is called No Talking by Andrew Clements. I have read this book and I know you are going to like it. I found it at Books A Million and it is available on Amazon.com. We will do activities with this book during the first two days of school. ***Please remember to bring the book with you on the first day.*** I have talked with Mrs. Evans and she tells me that you should know all of your addition, subtraction, multiplication, and division facts. That's wonderful. Please continue to study these facts all summer. We will start off with some timed fact quizzes on the first two days.

Your supply list is attached to this letter. Please bring all supplies on the first day of school. We will sort them out and put them in the appropriate places that day. I hope you enjoy your summer. You worked hard in fourth grade and deserve a break. I know you will read the summer reading book and you will be ready for the quizzes on the first days of school. I look forward to seeing you on Thursday, August 19!

Mrs. Davis

These are the supplies you will need when you come to class on Thursday, August 19, 2010.
