

Dear Future Fifth Graders-

Wow!! That is so exciting! You are ready for fifth grade. There are a few things you need to do over the summer.

First of all, you will need to read. And read a lot!! Please read more than just your summer reading book. You will be required to have 15 AR points by the end of the first nine weeks. Summer is a great time to read and get ready for those quizzes.

The book you need to read for class is Mrs. Frisby and the Rats of NIMH by Robert C. O'Brien. We will be doing a project in class on the first two days of school, so make sure you have read the entire book. You will also take the AR quiz on the first day.

You also need to have all of your multiplication facts memorized. You will have timed math quizzes on those facts, as well as addition and subtraction facts, on the first two days of school.

Please make sure you have all of your supplies and your book on the first day of school. I am looking forward to seeing you as a fifth grader on Thursday, August 18.

Have a fabulous summer!!

Anne Davis
